

17. (During World War II, Zamperini served as a B-24 Liberator bombardier in the Army Air Corps' 372nd Bomb Squadron.)
18. (On May 27, 1943, Zamperini and his crew were participating in a search and rescue mission over the Pacific.)
19. Their plane suddenly lost power to two of its engines.)
20. It careened into the sea, and only three of the ship's 11 crewmen survived.)
21. Louis survived 47 days on the ocean with blistering heat, hunger, dehydration and circling packs of sharks.)
22. He grew weary, but he also was incredibly hopeful.)
23. However, he was captured by the Japanese navy near the Marshall Islands.)
24. The rest of his story of faith is challenging and encouraging.)
25. You can read it in the book *Unbroken*, or you can see the new movie.)
